### 7. What if I fully settle the financing before its maturity?

- The Bank shall grant Rebate (Ibra') on any amount payable by you in respect of any payment due under the Facility taken up by you with the Bank in any of the following situations:
  - any early settlement or early redemption by you including prepayment;
  - any settlement of the AB-i Facility due to any financing restructuring exercise by you;
  - any settlement by you upon occurrence of the Event of Default;
  - any settlement by you in the event of termination or cancellation of the AB-i Facility before the expiry of the AB-i Facility Period; and
  - if the AB-i Facility is based on variable rate, on the difference between the Contracted Profit Rate and Effective Profit Rate when the Effective Profit Rate is lower than the Contracted Profit Rate.
- Rebate (Ibra') = \*Remaining Unearned Profit – Early Settlement Charges (if any).  
*\*Remaining Unearned Profit is equal to unrealised profit at the time of full settlement*  
 The calculation of Rebate (Ibra') shall be made in accordance with any rules, regulations and/or directives (whether or not having the force of law) required of or imposed upon the Bank from time to time and at any time by Bank Negara Malaysia or any other authority having jurisdiction over the Bank. The computation for Ibra' is based on the following formula:
