Commercial Card – A credit card program that facilitates the corporation with a better way to manage their business expenses. Card types available:

- Business Card – offered to businessmen under retail/SMI/SME segment as a time and cost saving alternative to traditional payment methods. It separates company and personal expenses and centralizes all their business spending such as travel and entertainment, insurance premium, fuel expenses and mobile phones bills in a single card and greatly improve cash flow.
- Corporate Card – offered to public listed companies/local and multi-national large corporate/statutory bodies to simplify management of travel and entertainment (T&E) expenses. It provides a one-stop that integrates all card users' T&E expenses and information to manage spending more effectively as company receives consolidated information for all T&E expenses.
- Purchasing Card – a payment/procurement/credit card offered to all business segments for payments of business expenses such as utility bills (eg. telephone, electricity), municipal council, insurance premiums, travel expenses (eg. airline tickets, hotels booking, car rentals), offices supplies (eg. newspapers & magazine subscriptions, stationeries, computer hardware/software/maintenance) and office service providers (eg. courier companies, legal & company secretarial services, office cleaner services). It replaces the traditional purchase order and payment process for high volume of low-value items. It is an innovative business-to-business procurement solution that simplifies authorization and provides for payment and settlement. It significantly reduces the time and cost associated with paying for indirect business-to-business goods and services by eliminating paper-based purchased order and invoice processing. It is convenient way to manage procurement and allows vendors to be paid on time and enhances customers' ability to focus on core business.
