Art In Colours

2017 UOB Painting of the Year (Singapore), Silver Award, Established Artist Category

Artist: Byun Si Jae

Title: *Movement of Earth*

Medium: Mixed media on silk (Acrylic and ink)

Size (cm): 123 x 183

Movement of Earth focuses on the relationship between nature and architecture, and bridges the two elements through the use of ink and acrylic on layers of transparent silk. The idea of the artwork started with a vision of a construction site. Buildings and nature are then added layer by layer to demonstrate the transformation of space between nature and architecture. The artwork embodies harmony where the two different elements co-exist.
