2020 UOB Painting of the Year (Thailand) Top Winner, Established Artist Category

Artist: Thongmai Thepram

Title: *Super Strength in Unity*

Medium: Acrylic and pencil on canvas

Size (cm): 110 x 180

Super Strength in Unity shows the importance of unity regardless of individual differences. The artist used forms and colours symbolically in place of the 'self' to represent the different superheroes found in individuals. They may not be the same, but they have one common aim – to confront and defeat a deadly threat. The artist hopes to show that regardless of nationality, religion or race, we all play a part to overcome the global pandemic.
