Artist: Yang Kaiwen

Title: *Three Worlds*

Medium: Acrylic on canvas

Size (cm): 152 x 121

Inspired by one of the world's famous graphic artists, Maurits Cornelis Escher, *Three Worlds* imagines isolation in a surrealistic setting. We constantly live in a dream of our own reality, surrounded by the all-pervasive and intangible sense of indifference. In life, the three worlds may collide but will never meet.
