How to Use Infinity Secure

“Maker to Authoriser” Push Notification

1. Upon clicking the “Notify Approver”, the maker will be able to choose the recipient (authoriser) of the notification. Kindly take note that, only authorisers who have already activated their Infinity Secure will be displayed in this list. Click  .
2. The authorisers will receive a push notification on their mobile phone.

Upon tapping on the push notification, the Infinity mobile app will be launched and the authoriser will be required to login. Upon successful login, the authoriser will see the details of the “pushed” transaction which can be authorised using his/her Infinity Secure PIN (refer to page 10).

Notify Approver

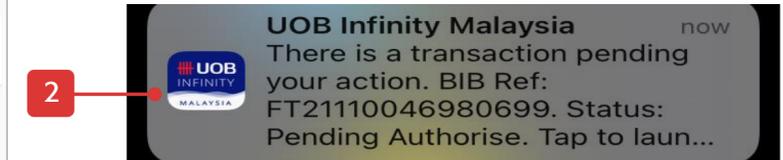

You may select up to 3 recipients to receive the notifications.

Recipients with an Infinity Secure installed will receive a notification on their UOB Infinity mobile application. Otherwise, they will receive an email sent to their registered email with UOB.
