## About UOB eAlerts!

UOB eAlerts! is an email/SMS alert service that informs you of your account balances and alerts you of specific account and trade finance activities, to help you better manage your accounts.

## Benefits

- Monitor cash flow and trade transactions on-the-go
- Choice of 2 convenient modes of notifications – email and/or SMS alerts
- Manage your cash flow better with real-time notifications\*
- Manage your trade transactions more efficiently with notifications on the status of your trade transaction at every stage
- Waiver of monthly subscription for all Trade Alerts
- Supports both local and overseas mobile numbers

## Types of Alerts

- **Account Balance**  
Choice of receiving notifications regarding your account balance up to two times a day, so that you are aware of your available funds for disbursements and investments.
- **Account Balance Below/Above Threshold**  
Receive real-time alert when your account balance goes below/above the threshold. This enables you to make timely decisions to manage your account and disbursements so that you will always have sufficient funds in your account.
